

New Moon

THE CREATOR ARCHETYPE | January 21, 2023

After completing the meditation, **PRINT OUT** these pages and write down any insights, revelations and thoughts that came to you.

Statement of Intention

- ✦ I unwind, unbind and transmute what no longer serves me, across all space-time realities and timelines.
- ✦ I call in the support for my action needed, to bring forth the SACRED VISION I hold deep within.

✦ I am worthy of commitments to myself. I lovingly support my actions to override procrastinate. To no longer deny myself what is mine, in alignment with my own design.

✦ I foster the CREATOR within me through the supportive DIVINE TRUTH:
That I may manifest whatever I wish, so long as I stop resisting.
All limitations are the ones I place upon myself.
I can create anything.

✦ I am both, CREATOR and DESTROYER. The only distinction on which mask, I wear is by my own **FREE WILL.**”
